5.1.		5.1.2e		5.1.2e	
5.	5.1.2e			5.1.2e	

The diagram illustrates the distribution of the value 5.1.2e across different levels of a hierarchy. It consists of several rectangular boxes arranged in a staggered, overlapping fashion. The top-most box is labeled 5.1.2e. Below it, there are two boxes, each labeled 5.1.2e. Further down, there are three boxes, each labeled 5.1.2e. The bottom-most row shows a single box labeled 5.1.2e. The boxes are arranged such that they overlap, suggesting a cumulative or layered structure.
